CANOE –for January 16

Welcome to the first Canoeing Newsletter for 2016

Happy new year everyone, we hope that all canoeists are getting their paddles wet in this very hot summer. Congratulations to the **45** leaders who have upgraded their canoeing / kayaking qualifications. Please refer to <http://www.adventurousactivities.sa.scouts.com.au/pages/753746> for more details on the current training requirements.

Next Training Course

The next training course is on the weekends of 20/21 February and 18/19 March 2016
Refer <http://www.adventurousactivities.sa.scouts.com.au/canoeing>.
If you are intending on attending please submit your A4 and Fee (\$100) ASAP.
Please also pass the training course information on to anyone else who may wish to qualify.

Come 'n Try

Come 'n Try at Glenelg is continuing to be very popular with over **250** youth members having great fun and learning new skills so far this summer. There are a number of groups booked in for the rest of summer. We could always do with help from trained canoeing / kayak leaders. If we had more volunteers we could take more bookings.

A big thank you to those that have helped so far!

Toc H Camp

We had a great time after Christmas providing canoeing leaders to help with a water activities day the Water Activities Group provide to Toc H who run a camp for disadvantaged children. 43 youth plus leaders had a great day canoeing, rafting and sailing at Goolwa

Remember our youth are always looking for adventurous activities to participate in.
