The next training course is scheduled for the weekends of 5<sup>th</sup>/6<sup>th</sup> November and 26<sup>th</sup>/27<sup>th</sup> November 2016. Please encourage any Leader, Rover, and Venturer who is interested to enrol as soon as possible. For further information refer <http://www.adventurousactivities.sa.scouts.com.au/canoeing>.

#### **E Learning**

Scouts Australia have mandated that some common training modules ("Common Core") must be completed before a leader can be endorsed as an Adventurous Activity Leader in any discipline e.g. Canoe, Kayak, Sailing, Rowing, Archery, Bush Walking etc. Part of the Common Core is some online learning modules which can be found on **Scout Central** under Training for Adventurous Activity Leaders and then under the Scout Bush Walking Course. The required Modules are:-

- Demonstrate Navigation Skills in a Controlled Environment
- Operate Communications Systems and Equipment
- Use and Maintain a Temporary or Overnight Site

These can be found at <http://training.scouts.com.au/curriculums/advactivitiesleader>

If you haven't completed the Common Core eLearning yet, get ahead of the game and do it.

#### **MyScout Training Records**

MyScout has been updated with leader's adventurous activity training modules.

#### **Paddle Prep AP**

Canoe Australia has released a Paddle Prep Ap. This app contains information on:-

- Paddling equipment including safety and communication
- Paddling skill demonstrations

- Trip planning , including lodging a float plan

#### **Come 'n Try**

Come 'n Try at Glenelg has proved to be very popular with over **600** youth members and leaders having great fun and learning new skills for summer 2015/2016. Very few nights have been cancelled due to weather.

**A Big thank you to the Canoeing/Kayak leaders who have helped this summer!** 😊

**Remember our youth are always looking for adventurous activities to participate in.**
